

WILDCAT LACROSSE

A Winning Tradition Since 1991

Dear Plano Wildcat Lacrosse Neighbor,

Lacrosse is one of the fastest growing team sports in the United States. In fact, no sport has grown faster at the high school level over the last 12 years, with more than an estimated 169,000 players.

We are fortunate, through Plano Senior High, Jasper, and Vines, to have a rapidly growing, highly talented varsity and junior varsity lacrosse program. Our 2006 Wildcat Lacrosse team placed third in state! It is an exciting opportunity for our young men to play with and compete against some of the best young lacrosse players in and across Texas.

Not yet large enough to be associated with UIL, lacrosse in Plano is considered a club sport and is, therefore, completely funded by the players' parents and the generous support of businesses like yours in the community. The Plano Lacrosse Association works hard to keep costs down so the sport remains affordable to all interested high school men.

As such, we would very much appreciate your involvement by placing an ad in our 2010 Spring Plano Wildcat Lacrosse Program. As a 501(c)(3) organization, any contributions or ad purchases made by your organization are tax deductible. Hundreds of fans will receive this book during games, and everyone will be encouraged to frequent the businesses advertised throughout the year. We've found heightened interest in those businesses that also choose to feature players in their advertisement - please let us know if we can make our players available for a photo at your establishment.

Thank you for your consideration, and we invite you to attend our home games beginning in February at the fields next to Clark Stadium.
